**City of Barberton Releases 2019 Leaf Collection Schedule**

The City of Barberton will begin picking up **loose** leaves November 4th, 2019 and will continue through each Ward as scheduled. To facilitate pickup, leaves must be raked into a row and placed on the street no more than two (2) feet from the curb or the edge of the street without obstructing traffic and storm sewer inlets. Please note the dates listed below for each Ward and please keep in mind that as the weather gets worse and the leaves fall faster it may take longer for us to return to your area.

The leaves must be out **prior** to the first day of the week we are scheduled to be in your Ward. Please do not wait until you see the equipment/crews in your Ward.
