### **Barberton Announces 2018 Street Resurfacing Program**

The City of Barberton is pleased to announce that this year's Street Resurfacing Program is set to commence on or about June 18, 2018. Tallmadge Asphalt and Concrete out of Kent, Ohio, was selected as the contractor for the program via a publicly submitted bid that was unanimously approved by Barberton City Council.

This year's program includes a selection of both arterial and residential streets. Street selection is based on several factors, including input from City of Barberton staff, Barberton City Council representatives, citizens, and the City's engineering consultant, GPD Group.

"We are fortunate that the residents passed Issue 8 four years ago, which allows us to continue to provide the much needed resurfacing of our streets", stated Barberton Mayor William B. Judge. "With this year's program, we will add to the 70 lane miles of roadway that have already been resurfaced through this funding since 2014."

Issue 8 funding was also the key driver in the City's pursuit and recent award of \$8.8 million in Akron Metropolitan Area Transportation Study (AMATS) competitive grant dollars that will see the completion of numerous arterial street enhancements, which are scheduled to start construction in 2020.

The 2018 Resurfacing Program Streets:
