### **CITIZENS ADDRESSING COUNCIL**

Mr. Tom Harnden, 904 Meadowood, said he would like City Council to reconsider one of the proposed changes, the “conflict of interest” provision. He said there are two reasons why the Charter Review Commission recommended that the conflict of interest provision be modified: 1) They felt that the language was not clear on its face, addressing direct and indirect conflicts of interest. He said he negotiated a lot of contracts for Babcock & Wilcox and he would never agree to language that was not clear on its face. He said if it was subject to interpretation, it was re-drafted. He said you cannot define indirect. He said for that reason, this language needs to be modified and the Charter Review Commission’s recommendation was to take it out and substitute it to reference Ohio Revised Code. 2) The second reason for this change is by referencing Ohio Revised Code, the City has the capability of seeking an opinion from the Ohio Attorney General. He said if the language differs from Ohio Revised Code, the Attorney General is not going to give an opinion. He said by having the Ohio Attorney General give an opinion, you are taking the political process out of it. He said the Attorney General can rely upon previous court decisions in the State of Ohio that interpret Ohio Law and he can also refer to previous Ohio Attorney General opinion. He said by doing this, the probability of having an individual against which a conflict of interest claim has been made seeking redress against the city or seeking to litigate it is going to be reduced. He said in that way, city costs will be reduced. He said for those two reasons he is hoping City Council will reconsider and put the conflict of interest provision back on the agenda to be presented to the voters in November.

Ms. Joyce Anderson, 308 Van Street, said just before you approve these (proposed charter amendments) or conclude the meeting be aware that the rules regarding the filing of these with the County and the Board of Elections has changed as of the first week of July of this year. She said they also have to have three readings and the second and third readings cannot be suspended.

**The following Minutes are not transcribed verbatim. This meeting has been recorded in its entirety and the tape is catalogued in the Clerk of Council’s office.**

He said Mr. Harnden spoke earlier about this subject. He said there are some varying opinions on this, but the Mayor and Law Director are in support of this charter amendment. He said it did not make it out of committee and he feels there is enough merit to review it. He requested a motion by three Members of Council to bring it out of committee and put it on the floor. #### **ORDINANCE NO. 110-2010**

**ORDINANCE NO. 110-2010. PRESENTED BY: ALL OF COUNCIL. SPONSORED BY: MR. LYSENKO. TITLE: PROPOSED CHARTER AMENDMENT – INITIATIVE AND REFERENDUM. AN ORDINANCE TO PROVIDE FOR AN ELECTION ON A PROPOSED CHARTER AMENDMENT FOR THE CITY OF BARBERTON TO AMEND THE INITIATIVE AND REFERENDUM SECTIONS TO COMPLY WITH STATE LAW, AND FOR GIVING NOTICE THEREOF, AND DECLARING AN EMERGENCY.** It was moved by Mr. Avant, seconded by Mr. Anderson, that the rule as required by Section 5.10 of the Barberton City Charter be suspended. President Maurer voted “yea.” Motion carried, 6-3. It was moved by Mr. Avant, seconded by Mr. Anderson, that **ORDINANCE NO. 110-2010 BE ADOPTED.** Mayor Genet said this recommendation came from the Charter Review Commission. He said it was nothing he proposed as many have insinuated. He said he talked to our Law Director about this and he highly respects Mr. Harnden’s opinion in regard to this “conflict of interest.” He said it is paralleled to the referendum/initiative petition charter changes too. He said with the language in our charter, we can not go to Columbus to get an opinion on anything. He said we tried to do that last year with the initiative petition issue that was before us. He said by following Ohio Revised Code, it gives the City the ability to go to Columbus to be able to get an opinion as Mr. Harnden had indicated earlier. He said he hopes Council will support this, or at least get it on the ballot to let the electors of the City have an opportunity to vote on it. President Maurer said we do not have a lot of money to go to outside counsel and any time we can get assistance from Columbus, two heads are often better than one. He said after reviewing the situation himself, he thinks it is a good idea to at least get it on the ballot. President Maurer called for the vote on adoption. Mr. Wagner, Mr. Megyes, Mr. Avant, Mr. Anderson, Mr. Suboticki voted “yea.” Mr. Judge, Mr. Lysenko, and Mr. Soyars voted “nay.” The Clerk said the vote is 5-3, so the President was called upon to vote. President Maurer voted “yea.” Motion carried, 6-3.

#### **MISCELLANEOUS AND UNFINISHED BUSINESS**

President Maurer said he would like to remind everyone that Council will be in recess until we reconvene on Tuesday, September 7<sup>th</sup>. He said he does not believe there is anything pending right now, but if something does come up, we will meet for any emergencies.

Mr. Palmer, Service Director, said on August 6<sup>th</sup>, the 15<sup>th</sup> Street Bridge will be shut down for at least a year. He said traffic will be re-directed, and as they get information, they will get the information out to everyone.

President Maurer said Mr. Wagner and Mr. Lysenko will have their ward meeting tomorrow night at the YMCA and Wednesday night is the Health Board Meeting.

Mr. Megyes said Saturday was "Paint Your Heart Out." He said two houses were done in his ward, one was the biggest house that was painted. He said they had 30-35 people and they painted it within three hours. He said the person who owned that house has had some bad luck, so he and the owners really appreciate what NCS did.

Mr. Avant said he wanted to commend the Street Department for all the patching they have done during this long, hot summer. He would like to thank them!

Mr. Suboticki said he wanted to remind everyone about Planning Commission on Wednesday at 6:30 p.m. in Council Chambers to discuss two zoning issues.

#### **COMMUNICATION FROM THE MAYOR**

Mayor Genet said on your desks is an article from "*Crane's Business Magazine*." He said it talks about community colleges and the accelerated enrollment that colleges are experiencing. He said that is really playing into what is happening here locally. He said we have had great enrollment success with Stark State and U of A. He said last week he held a business breakfast with The University of Akron, Stark State, and our ten largest employers to engage employers with these institutions and to give the institutions the opportunity to listen to the needs of the local employers. He said it was a good meeting and there is going to be a lot of follow-up on this too. He said it is going to be a good thing for the City of Barberton and local employers. He said Stark State and U of A have indicated they will customize curriculum for local employers, so he thinks that is going to be a great benefit.

A motion was made by Mr. Judge, seconded by Mr. Soyars, to adjourn.
