#### Temporary Changes in Trash Collection Services

Due to the COVID-19 pandemic the City of Barberton's Recycling and Disposal Company, Kimble Companies, is making temporary changes to trash collection services starting on Monday, April 13, 2020. In order to minimize any future disruptions in service, Kimble is asking that customers implement the following changes.

1. Solid Waste: Please fit all materials into the Kimble provided waste container. No items are to be left on the ground. This reduces the need for hand loading.
2. Recycling: Please fit all materials into the Kimble provided recycling container. No items are to be left on the ground. This reduces the need for hand loading.
3. Bulk Items: Please temporarily hold bulk items that cannot be broken down to fit into the waste container.
4. Yard Waste: Please only include yard waste that fits into the Kimble provided solid waste container.

The City will continue to work with Kimble Companies and communicate to residents any changes in services. For more information, please visit the City of Barberton website ([www.cityofbarberton.com](http://www.cityofbarberton.com)) to view the letter from Kimble Companies pertaining to the changes. For any questions or comments in regards to the temporary changes please call Kimble at 1-800-201-0005.
