RE: CITY BUILDING CLOSURE ON MONDAY, OCT 5 AND TEMPORARY SUSPENSION OF PUBLIC ACCESS TO CITY FACILITIES

Mayor William B. Judge announces City Hall located at 576 W Park Ave will be closed on Monday, October 5, 2020 for professional sanitizing. All departments will be closed except for the Courts and Police Department. Additionally, the City will be restricting public access to the Utility and Building Department until further notice, effective October 5, 2020.

Most recently the City of Barberton received several reports of positive COVID-19 tests. This is a serious health concern to both City of Barberton employees and residents. Mayor Judge has been in contact with Summit County and City Department heads to make them aware of this closure. The building and offices will be sanitized to aid in the prevention of this virus.

Due to public restrictions, the Utility and Building Department bill payments, permits and applications will be processed through the drive-thru window or drop box at the Finance Department, located at 104 3rd St NW. Utility payments and Building permit applications can also be submitted online at www.cityofbarberton.com. All City Departments will continue to process transactions to minimize any disruption to services.

"I realize this might cause some inconvenience but my main focus is on the safety of our employees and residents", states Mayor William Judge.
