RE: CITY OF BARBERTON 2020 LEAF COLLECTION SCHEDULE

The City of Barberton will begin picking up loose leaves on November 2nd, 2020, and will continue through each Ward as scheduled. To facilitate pickup, leaves must be raked into a row and placed on the street no more than two (2) feet from the curb or the edge of the street without obstructing traffic and storm sewer inlets. Please note the dates listed below for each Ward, and please keep in mind that as the weather gets worse and the leaves fall faster, it may take longer for us to return to your area.
