Dear Public Official:

Pursuant to Ohio Revised Code Section 1901.14(A)(4), we are pleased to submit the Barberton Municipal Court 2020 Annual Report for your consideration. The report reflects the Barberton Municipal Court's activities and financials in 2020.

One of the highlights of 2020 included the continuing expansion of virtual technology affording access to the public during the height of the COVID-19 pandemic. We, as a Court, as grateful to the Ohio Supreme Court for proving grant funding through it's Remote Technology Grant award to the Barberton Municipal Court. With these funds we were able to expand remote technology access to each of our three operating courtrooms as well as our probation department and pertinent court personnel.

We are also proud of the continuing efforts of our Specialized Docket Courts. Both our Adult Drug Court and Adult Mental Health Court dockets received final re-certification from the Ohio Supreme Court. The operations and review were completed through both virtual and in-person operations. These specialized docket courts have now received certification enabling continued assistance for those in need for the next three years.

We are also proud to announce that we continue to receive grant funding to aid in providing services under our Barberton Municipal specialized docket courts for Recovery Support, assessment and treatment.

Another highlight of 2020 included the expansion of our efforts to assist those needing to reinstate, or otherwise obtain, valid Ohio driving privileges. Our probation department's S.L.I.P. program offers individuals an opportunity to address drivers license suspension issues and saw a continued increase in participation during 2020.

We look forward to continuing our progress in 2020 and thank you for your continued cooperation and support.

Respectfully,

Todd McKenney
Presiding Judge

Jill Flagg Lanzinger
Judge

Diana Stevenson
Clerk of Court
